The Officiating team must be masked with no food at the scores table.
- Children will follow the Oklahoma City mask mandate at the time of the tournament (currently under the age of 10 does not have to be masked)
- If you have a medical condition prohibiting a CDC appropriate mask, **a face shield will be required.**

Sanitation:

- Balls & scorekeeping writing utensils will be cleaned between matches (officials will bring the game ball and pens/pencils to and from Championship desk)
- Hand Sanitizing Stations will be set up around each building
- All trash and debris will be picked up by the competing teams before leaving their bench every match.

Ways you can help the most:

- Only be in the building when it is time for your individual team to play and leave immediately when done. Please don't hang around!
- Stay 6 feet apart when possible
- Stay masked up and help your team and your spectators to keep their masks on!
- Wash your hands often
- Stay home if even slightly sick (see BallerTV options at www.okchargevolleyball.com)
- Honor and do what you are being asked to do so our teams can all play and continue to play!**
